2021 Highlights

The Year of Achievements

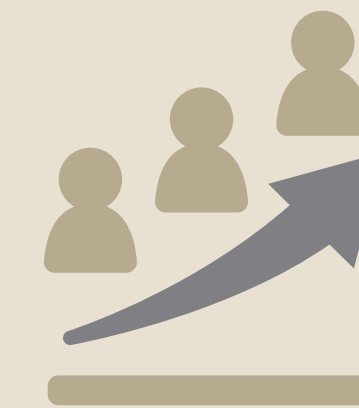

ABOUT US

Established in 2009, Queen Rania Teacher Academy (QRTA) is a non-profit organization committed to the vision of Her Majesty Queen Rania Al Abdullah of supporting and empowering educators with the skills to become creative and diligent professionals, who are well-equipped to nurture and lead future generations.

QRTA offers innovative and evidence-based professional development programs informed by international best practices and the latest research in the field.

The Academy has been providing valuable professional learning opportunities for teachers and school leaders in Jordan and the region.

CEO MESSAGE

As we reflect on 2021, we cannot help but view it as a transformative year in which challenges became prime opportunities and growth and accomplishments were our headliners.

For this and more, I must acknowledge our outstanding QRTA team, whose unrelenting dedication, tremendous passion and hard work made all this possible. Moreover, I offer my sincerest gratitude to our existing and new partners for their continuous staunch support, which was paramount to achieving QRTA's strategic objectives.

As we steadily embark on a new year, we remain committed to our mission to serve educators across Jordan and the region through distinct programs while drawing on world-class experts from around the world to explore current topics that address various sector needs and aspirations.

2022 is shaping up to be an exciting adventure. We look forward to sustaining our ongoing momentum, developing promising opportunities and implementing a number of innovative programs that can carry us across new borders and promote public good for the benefit of all.

INTERNATIONAL ACCREDITATION

The Teacher Education Professional Diploma (TEPD) at Queen Rania Teacher Academy is granted Accreditation at the initial-licensure level from the Council for the Accreditation of Educator Preparation (CAEP).

QRTA becomes the first educational organization in Jordan to be fully accredited by CAEP for the coming seven years, and the third educational organization in the Middle East to obtain the CAEP accreditation, after the United Arab Emirates University and Zayed University, making Jordan the second country in the region to receive such recognition after the UAE.
